

**MARIBYRNONG
COLLEGE**

ICT Induction

Year 8-12 New Students

Information Communication Technologies

At MC our devices support our learning. We use devices:

- To access information
- To communicate and collaborate with one another
- As an organisational tool

Responsible use of ICT

Students commit to:

- Be a safe and responsible user whenever and wherever I use technology.
- Support myself and others by being respectful in how I communicate with other online.
- Never participating in online bullying (this includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour).
- Protect the privacy of others and never post private information about another person.
- Report to an adult if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour.

Keys to Success

Responsible use of our devices supports our 'Keys to Success'

KEYS TO SUCCESS

Wear correct uniform every day

Be on time

Leave your mobile phone in your locker

Be organised (materials, laptop, homework, communications)

Maximise your time in the classroom

Eat/drink and visit the bathroom during break times

Communicate proactively

Treat others with respect and kindness

Show care and respect for the school environment

Logins and passwords

You have two types of credentials:

EduPass credentials:

- Login: @schools.vic.edu.au email
- Password you have been allocated

Use for MS365 (including email, etc.) and Oxford Digital

Maribyrnong College credentials

- Login: student code (eg *MAC0034*)
- Password you have been allocated (same as above)

Use for Compass

At MC, we use Compass for:

- Student timetables, including room changes
- Sport and sport training
- Special events
- Getting consent/payment for excursions and events
- Publishing student reports
- Publishing SALTs, including due dates and results
- Lesson plan / Class news feed
- News feed for important announcements and notices
- Recording absences and early dismissals/late arrivals (by parents/carers)

Monday, 25 November 2024

2024 VCE results

Dear parents, carers, students and staff,

VCE results are in for 2024, and they are a remarkable set of outcomes for our students, and the staff who have worked so closely with them.

Compass App

The Compass app has some (but not all) of the same information you can see on a computer.

We recommend all students and parents download the app if they have a smartphone.

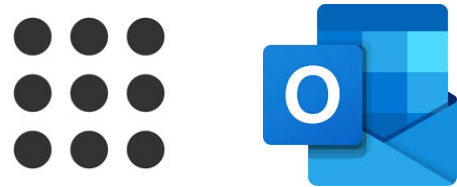

MC is a 'Microsoft 365 School'

- This means we use Microsoft 365 for our email, documents, files and communication.
- MS365 is great because you can login to your account on any device that has an internet connection, at home or school (and even in other countries!).
- We prefer to use Chrome to access the internet.
- All students have free access to the full MS365 suite
- More info on MS365 for families [here](#).

1. Open up Chrome
2. Go to <https://microsoft365.com/>
3. Login using your EduPass Credentials
4. Go to the 'nine dots' menu and select Outlook

5. Send an email to your coordinator or Head of Year.

- Make sure you write a greeting.
- Use proper spelling and punctuation.
- Sign off appropriately.

- Every student and staff member has their own One Drive, a storage space for documents and files in the cloud.
- You should keep all your computer-based school work in One Drive.

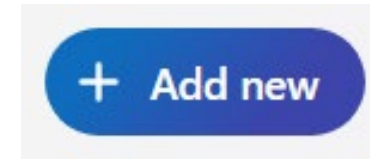

MC is a 'Microsoft 365 School'

1. Go to the 'nine dots' menu and select One Drive

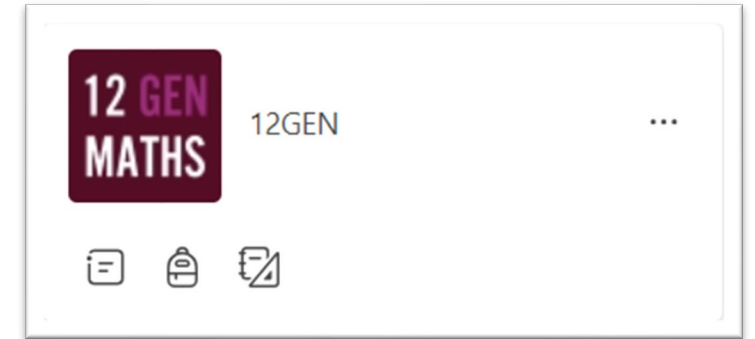

2. Create a folder for each subject:
Click "Add New", then select "Folder"

Check your subjects on your timetable.

Teams

Many teachers will set up a 'team' for your class.

Teams can be used:

- For teachers to post information, and students to reply
- For teachers to share resources
- For students to submit work

Oxford Digital is the online platform for your textbooks

- Login: @schools.vic.edu.au email
- Password: Oxford123
- Change password to make it the same as your school email address.

Guides and self-help

Instructions available [here](#) to assist with:

- Printing
- Email and passwords
- More!

ICT Helpdesk is open in the Library at recess and lunchtime each day.

You can get assistance with wifi, printing and more.
